

**There are 2 ways you can help to change the outcome for abandoned children:**

### **1. GET INVOLVED**

Would your church or fellowship group like to know more about ministering to the fatherless? We follow a process of **EDUCATE-MOTIVATE-FACILITATE**.

First, we meet with your group to ensure they are **EDUCATED** about the needs of orphans.

Second, we **MOTIVATE** the group by examining God's word as it applies to the plight of the fatherless. This is not an emotional appeal – rather an opportunity to ask the Holy Spirit to direct how we should respond.

Third, we connect you to an orphanage or 'front-line' church and **FACILITATE** a relationship that will make your group or church a lasting and vital component in the lives of children that desperately need your help. This relationship will be tailored to the resources (time, expertise, commodities, finances) that you have available.

### **2. BECOME A FINANCIAL PARTNER**

In facilitating the relationship between church/group and recipient institution, we do sometimes need to act as a conduit to transfer money. In these cases we do not retain any of the funds donated for this purpose – 100% is used directly for the benefit of the children.

However, there are still operating expenses that we need to cover. We have phone bills to pay, stationery to buy, computers to maintain, and a list of other sundry costs, none of which are very big, but all of which add up surprisingly quickly. It is also our hope that eventually, we will be able to meet our personal financial needs through the ministry and do this work full time.

By becoming a financial partner, you can contribute to the greater vision: - many churches, hearing God's heart for the orphan, and responding with a strategy to Restore Hope to little ones that the world has overlooked.

To support us financially, make your cheque payable to **Restoring Hope** and mail it to:
